## Air scrubber ActivePure® Technology Benefits\*

### What Can ActivePure® Technology Do for You?

- Purifies air, removes VOCs, and significantly reduces dust particles and odors.
- Reduces exposure to common bacteria and viruses and their effects upon your health and wellness.
- Protects against allergy and asthma triggering contaminants and respiratory issues which may lead to health problems.
- Reduction in sick days and the number of common cold and flu outbreaks.
- Improved productivity from healthier, cleaner air and surfaces.
- Protection from illness-causing bacteria and viruses such as MRSA, E. coli, and C. Diff.
